PW 1000 Powder

Contains an exclusive corrosion inhibitor package that prevents flash rusting and darkening of brass parts. Non-foaming with no chelating agents. Safe to use on food surfaces.

Ideal for: Metals, paints, plastics, stainless steels, brass, aluminum

Description: White powder, 100% actives. Ships UPS.

PW 1018 Vapor Corr. Inhibitor

Contains rust and corrosion inhibitors to protect against rusting in each phase of most cleaning machines.

Ideal for: Ferrous, non-ferrous materials.

Description: Light brown liquid, 20% actives. Ships UPS.

Note: Additive to parts washer detergents.

PW 1024 Phosphatizer

Removes heavy, oily soils. Cleans and phosphatizes to assure paint adhesion and corrosion resistance. Safe for use on steel and iron. Contains ScaleTrol™ to protect machine systems from scale build-up.

Ideal for: Parts washers, dip or wipe-on cleaning, phosphatizing.

Description: Clear liquid, 18% actives. Ships UPS (finished product ONLY).

PW 1031 TM Liquid

All-purpose, liquid cleaner works well on most greases, grimes, and soils. Also an effective floor cleaner that can be used with floor scrubbers. Perfect for auto-fill systems.

Ideal for: Steel, brass, aluminum, iron, plastics, painted surfaces.

Description: Clear liquid, 17% actives. Ships UPS (finished product ONLY).

PW 1034 Alum /Alloy

Economical, non-abrasive, alkaline detergent is formulated to be a low-foaming, rust-inhibiting, non-staining/etching surface cleaner.

Ideal for: Light/heavy duty aluminum and alloys, brass, stainless steel, copper and plastic resin.

Description: Brown liquid, 22% actives. Ships UPS.

PW 1035 Iron/Steel

Great for cleaning greases, oils, and other intensive elements. Also works as paint stripper. DOES NOT discolor or corrode.

Ideal for: Light/heavy duty iron, steel, stainless steel.

Description: Brown liquid, 22% actives. Ships UPS (finished product ONLY).

PW 1036

Neutral pH detergent for use in manual parts washers.

Ideal for: Glassware, plastic, painted and metal parts.

Description: Gold liquid, 23% actives. Ships UPS.

PW 1038 Citrus Defoamed

Natural citrus power aggressively dissolves grease, inks and oils. Non-foaming.

Ideal for: Most maintenance type parts and equipment pieces.

Description: White liquid, 30% actives. Ships UPS.

PW 1052 Defoamer

Anti-foam additives help eliminate foaming problems.

Ideal for: Parts washers and other equipment.

Description: White liquid, 40% actives. Ships UPS.
