TR 404* CARBONATE

Heavy butyl-blended detergent removes dirt, oil, and grime. Safe to use on food and polished aluminum surfaces.

Ideal for: Pre-spray on tires, vinyl, metal, engines, wheels, metals.

Description: Greenliquid, 18% actives. Ships UPS.

TR 405* FLEETWASH

Natural citrus degreaser dissolves grease, grime, road film, and most industrial soils. Helps restore faded paint surfaces.

Ideal for: Pre-spray for aluminum, stainless steel, metal, tires and engines, glass, paint surfaces, polished aluminum.

Description: Blue liquid, 19% actives. Ships UPS.

TR 406* POWERSHINE

Aggressively cleans grease, grime, road film, dirt and oils. Penetrating foam and paint protectors leave a clean, shiny surface.

Ideal for: Cars, trucks, buses, polished aluminum, industrial equipment.

Description: Blueliquid, 19% actives. Ships UPS.

TR 407* RIPPER I

Effective wetting agent and solvent package power through heavy cleaning and degreasing problems.

Ideal for: Metals, painted surfaces, plastics, most industrial cleaning problems.

Description: Purple liquid, 19% actives. Ships UPS.

TR 409* TRANSPORT

Economic cleaner for grease, grime, oils, resins, carbon deposits, rubber-based soils. Contains rust protectants and complex wetting agents.

Ideal for: Autos, RV's, trucks, trailers.

Description: Red liquid, 11% actives. Ships UPS (finished product ONLY).

TR 413 BLUE THUNDER

Industrial use ONLY. Can be readily used in food process areas and on painted surfaces.

Ideal for: Farm equipment, car, oil field, truck, house siding.

Description: Blue liquid, 11% actives. Ships UPS.

Note: Quick release works well for recycle/reclaim systems.

TR 420 Super X

Special blend of wetting agents and degreasing solvents removes toughest grease and grime problems. Safe on most food surfaces.

Ideal for: Painted surfaces, metals, stainless steel, industrial parts.

Description: Blue powder, 100% actives. Ships UPS.

TR 422

Easy-rinse formula for use in car washes. Quickly penetrates grease, oils, and dirt.

Ideal for: Cars, trucks, RV's

Description: Blue powder, 100% actives. Ships UPS.

TR 423

For use in car washes. Natural citrus additive cuts through heavy grease, oils, and dirt. Helps restore faded paint surfaces.

Ideal for: Farm equipment, cars, RV's, SUV.

Description: Red powder, 100% actives. Ships UPS.

TR 428* NYTRO

Industrial cleaner safe for use on stainless steel, aluminum, metals, painted and food surfaces.

Ideal for: Industrial equipment, heavy off-road equipment, tractors.

Description: Clear liquid, 17% actives. Ships UPS.

TR 430*

Effective, yet mild formula. Can be used for hand washing, detailing, automatic carwash systems, and pressure washers.

Ideal for: Fine painted surfaces, aluminum, polished aluminum, vehicle trim.

Description: White powder, 100% actives. Ships UPS.

Note: Good for working by hand.

TR 451*

Aggressive industrial cleaner. NOT for use on fine auto finishes, aluminum, polished aluminum, magnesium, or galvanized metals.

Ideal for: Engines, fifth-wheel, off-road equipment, construction equipment.

Description: Brown liquid, 17% actives.

Note: Corrosive label. Needs diluting.
